**Yellowstone National Park**-Harley McAllister 2017-10-23 All activities certified "kid tested" by the authors' four rambunctious sons Each includes best hikes, mountain bike routes, features to climb
on, places to see wildlife, and more Natural history learning opportunities also included The parents of four boys, Harley and Abby McAllister have spent the last few years figuring out the best way to explore our national parks with restless kids in tow. These first two books in this new series help families plan their vacations in Yellowstone National Park and in Utah’s “Big Five” national parks (Arches, Canyonlands, Capitol Reef, Bryce Canyon, and Zion)—so that everyone has a memorable trip. With an easy to follow organization based on park geography, an emphasis on outdoor fun and education, and an approach that zeroes in on the very best options for families, each guide fully explores the national park it covers. Family-friendly hiking trails for a range of age and skill levels; major natural sights, ; the best wildlife viewing spots, including wildlife checklists for kids to mark off; fishing, hiking, climbing, and rafting opportunities—and much more are all detailed. The guides also promote the popular Junior Ranger programming found throughout the National Parks system, as well as other park programs that appeal to kids. And they provide basics on access, trip planning, and overnight options from campgrounds to lodges to cabins.

**Hiking Yellowstone National Park**-Bill Schneider 2012-07-17 Lace up your boots and sample more than one hundred hikes in America’s most famous national park. Visiting more of North America's national parks? Try Moon Glacier National Park or Moon USA National Parks.

Death in Yellowstone-Lee H. Whittlesey 2014-01-07 The chilling tome that launched an entire genre of books about the often gruesome but always tragic ways people have died in our national parks, this updated edition of the classic includes calamities in Yellowstone from the past sixteen years, including the infamous grizzly bear attacks in the summer of 2011 as well as a fatal hot springs accident in 2000. In these accounts, written with sensitivity as cautionary tales about what to do and what not to do in one of our wildest national parks, Whittlesey recounts deaths ranging from tragedy to folly—from being caught in a freak avalanche to the goring of a photographer who just got a little too close to a bison. Armchair travelers and park visitors alike will be fascinated by this important book detailing the dangers awaiting in our first national park.

Explorer's Guide Yellowstone & Grand Teton National Parks and Jackson Hole: A Great Destination (Second Edition) (Explorer's Great Destinations)-Jeff Welsch 2012-05-07 In a book with more than 100 photos, two seasoned travel writers who know the Greater Yellowstone ecosystem very well detail everything from wildlife viewing to drinks in downtown Jackson Hole. Original.

Fodor's Montana and Wyoming-Fodor's Fodor's Travel Guides 2021-08-24

**Yellowstone Treasures**-Janet Chapple 2020-05-15 This complete travel guide allows the reader to enjoy the first and oldest national park in the world mile by mile. First the reader can compare the different approaches to the park and plan an itinerary. Along with fascinating facts and anecdotes, readers will learn of Yellowstone's geyser basins and the frequency of the geysers, out-of-the-way hikes, and how to spot the wildlife and wildflowers. Updates to the sixth edition include a geological time line, new color photos, and revised maps.

**YELLOWSTONE NATIONAL PARK FOR TRAVELERS. The Total Guide**-The Total Travel Guide Company 2019-06-12 The Best and Most Unique Yellowstone National Park Travel Guide Every year, more than three million visitors flock to Yellowstone National Park, and it's no surprise! It is just one of the many very beautiful national parks established in the United States. At Yellowstone National Park, visitors can explore well-preserved wilderness and come close to wildlife in a way that they can't anywhere else. Yellowstone National Park is the oldest and most popular national park in the United States of America. It was officially established on 1 march, 1872, and it was dedicated by president Ulysses s. Grant. That's before Wyoming was even a state in the union! Yellowstone National Park is characterized by its more than 40 major waterfalls, 300 active geysers, and more than 10,000 other thermal features. Every year, Yellowstone National Park produces around 3.3 million acre-feet of water, which makes it one of the most abundant sources of fresh water in the entire United States. But despite all of the hot water moving all over Yellowstone National Park, the park stays cool all year long, with a chilling 35 degrees Fahrenheit as its average temperature. So, download now this total guide and start traveling as you read! Best Easy Day Hikes Yellowstone National Park - Bill Schneider 2019-05-01 This updated edition of the classic guidebook has everything you need to explore the best easy hikes in this gorgeous national treasure.

Yellowstone National Park - Wink Travel Guide - Wink Travel Wink Travel Guide 2019-10-29 Yellowstone National Park is a United States National Park and a UNESCO World Heritage Site. It was the world’s first national park, set aside in 1872 to preserve the vast number of geysers, hot springs, and other thermal areas, as well as to protect the incredible wildlife and rugged beauty of the area. The park contains 3,472 square miles (8,990 square kilometres), mostly within the northwest corner of Wyoming, but with portions extending into the states of Idaho and Montana. Wink Travel Guides introduce you to the best world travel destinations, in a clear and concise way, illustrated by photos.

Lonely Planet's Best in Travel 2020 - Lonely Planet 2019-10-22 This annual bestseller ranks the hottest countries, regions and cities for 2020, and reveals how well-planned, sustainable travel can be a force for good. Focusing on the national parks? Try Moon Glacier National Park or Moon Yellowstone & Grand Teton.
Yellowstone Mileposts - Thomas P. Bohannan 2014-01-10

As people travel through Yellowstone National Park each day, they often come across buildings or points of interest along the roadway for which there is no publicly-accessible background information. Every single day the park’s rangers, tour guides, and concession employees field hundreds of questions about these sites. And many have said, “There ought to be a book...” Well, now there is! If you’ve ever wondered to yourself: What’s that group of buildings behind the Old Faithful Inn? Why does the road go this way when it used to go that way? What’s down that unmarked, gated-off road just north of here? What happened to that old building that used to be over there ten years ago? Why do the buildings in one location look so vastly different from those in other locations? Why does that feature have the name it does and what’s the history behind it? Then this book is for you. It is intended for a variety of audiences including park rangers newly assigned to Yellowstone, park employees, tour guides, researchers, and visitors who wish to have a more in-depth understanding of the microhistory of the individual points of interest throughout the park. The book has hundreds of pages of information previously known only to a handful of long-time park employees and historians. Yellowstone Mileposts is composed of two major sections. The first provides the reader with a mile-by-mile guide to the more than 400 miles of park roads, complete with GPS coordinates. The second is a building-by-building history of all of the significant structures in the park’s nine commercial developments. It is one of the most comprehensive guides to Yellowstone National Park available to the public.
