Recently appointed as the new U. S. Poet Laureate, Ted Kooser has been writing and publishing poetry for more than forty years. In the pages of The Poetry Home Repair Manual, Kooser brings those decades of experience to bear. Here are tools and insights, the instructions (and warnings against instructions) that poets—aspiring or practicing—can use to hone their craft, perhaps into art. Using examples from his own rich literary oeuvre and from the work of a number of successful contemporary poets, the author schools us in the critical relationship between poet and reader, which is fundamental to what Kooser believes is poetry’s ultimate purpose: to reach other people and touch their hearts. Much more than a guidebook to writing and revising poems, this manual has all the comforts and merits of a long and enlightening conversation with a wise and patient old friend—a friend who is willing to share everything he’s learned about the art he’s spent a lifetime learning to execute so well.

Yearly Proceedings of A.I. & S.E.E. Containing Shook Crane Service Manual 1/14 [DOC]
The Road - Cormac McCarthy 2007-03-20 NATIONAL BESTSELLER WINNER OF THE PULITZER PRIZE The searing, post-apocalyptic novel about a father and son's fight to survive. A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. A New York Times Notable Book One of the Best Books of the Year The Boston Globe, The Christian Science Monitor, The Denver Post, The Kansas City Star, Los Angeles Times, New York, People, Rocky Mountain News, Time, The Village Voice, The Washington Post

The Red Badge of Courage - Stephen Crane 2014
Stephen Crane's immortal masterpiece about the nightmare of war was first published in 1895 and brought its young author immediate international fame. Set during the Civil War, it tells of the brutal disillusionment of a young recruit who had dreamed of the thrill and glory of war, only to find himself fleeing the horror of a battlefield. Shame over his cowardice drives him to seek to redeem himself by being wounded—earning what he calls the “red badge of courage.” Praised for its psychological insight and its intense and unprecedented realism in portraying the experience of men under fire, The Red Badge of Courage has been a beloved bestseller for more than a century.

Crooks - Bill Reed 2015-04-07
You would have to wonder why a Rhodes Scholar, a VC winner and a Commissioner of Police named his son Frank E. R. Stein by way of a ha-ha ‘monstrous joke’... or why he cackled derision every time his eyes lit upon the boy; or why he showered more affection on his adopted son, Costas, the otherwise offspring of a Mr Bigs of organized crime. And as the well is so poisoned such
is the quest Frank Stein must make to seek revenge for the
gangland killing of his crusading crime-fighting half-brother. At least it is a way to presuppose the kingpins presumably coming for him too; after all, even as a joke, it’s not how you bow out, but how you get stuck in. Rape, assassination, shocking intrusions of a vicious crime world... it’s all there for a tragic and hilarious story to unfold before Frank Stein, assisted(?) by his own side comprising of a woman in search of an international bestseller and an indigenous brother who survives writing sports reports without going to any games when all he needs is a deaf, dumb and blind rich white sort to tide him over. And, yes, haunting over all is a shadowy guardian Chinese toughie, as well as his ubiquitous father from his wheelchair. One has to ask: what have the famous father’s shocking WW1 experiences to do with the resulting mayhem? What has be done to his sons? What did the Nip bullet the old boy finally coughed up after forty years look like, even as a metaphor? Underlying the rich gallery of these and other grotesques, there are the wit and the pace and the bawdry of Crooks. In the real-life crime parlance of ‘a pushover to put down’, this book won’t disappoint crime buffs. -------------------- about the author Originally a well-known playwright, Bill Reed began writing longform fiction in his late thirties. To date he has written thirteen novels, including the so-called noteworthy ‘1001 Lankan Nights, books 1 and 2’. He has had eight plays professionally staged. He has worked as an editor and journalist in Australia and overseas before finally putting his feet up in Sri Lanka.

**Combination Lock: The Life and Times of C. Wayne Parker** - C. Wayne Parker 2017-03-25 COMBINATION LOCK is the autobiography of C. Wayne Parker. His story begins in 1962 with him as a short, skinny, shy, fatherless, high school kid with a pet dog and hope. He grew up in the small, lower-middle-class Burlington community of east Knoxville, Tennessee. He was a simple boy living in a simple time. Throughout his early life he struggled to find the right combination of qualities that would ensure for him a satisfying, meaningful life. He flunked out of engineering college, and the military draft board wanted him for duty in Vietnam, yet he still carried his dream in his heart. He did not give up; he did not quit. Along the way, his path took him on a journey of hurt, happiness, disaster and deliverance. There were times for both tears and smiles—as there are in his book. But as he matured and made some changes, his life was transformed into one of love, contentment and peace. What were the qualities that made up his combination and unlocked for him a path to secure his dream? Walk the path with him.
